

## VW Flight #13

### Volkswagen Car Show & Swap Meet

We are excited to invite you to a 1930's Flying Air Circus Show being held in conjunction with the VW Cruisers Annual Volkswagen Car Show. Get two events for the price of one. Admission for one adult spectator for the entire day is just \$15. The events are located in a park-like setting where families can bring their children for a great picnic outing. Camping is available on Saturday night. Biting your air, or water-cooled VW camper and/or tent and sleep under the stars. Clean rest-room facilities and snack bar are available, however, shower facilities are not.

Enter your air- or water-cooled Volkswagen into the car show. We'll be giving out custom-designed trophies fabricated by club members using old VW parts. No club member cars will be judged this year! Top 25 VWs will be judged by registrants. People's Choice and Woman's Choice Awards will be judged by the registrants.

We offer Dash Plaques to the first 25 registered VWs, goody bags, DJ/musik, Door Prizes (T-shirts, win photo op w/airplane), 50/50 Raffle, Parts Swap meet, Snack Bar (hot dogs, burgers, drinks and more), Best Pooch Contest, Best VW Tattoo Contest, and of course the Air Show.
